

Institutional Best Practices

Subsequent to Accreditation in 2018, the College announced these two practices as Best Practices to be pursued and developed over five years. Since then, they have been followed with passionate rigour, energy and enthusiasm. These two practices in 2019-2020, continued to encourage awareness and practices of sustainable development within a holistic vision of the environment and its relation to society.

- Creating sense of self defense and promote women empowerment, the College has Nirbhaya Brigade and NCC focusing on self-defense Training Programme and Contributing to Nation Building. This is helping the student in their confidence building and promoting better outlook.
- Regular social works to serve society and create a sense of responsibilities among stakeholders.
- NCC of our college has actively contributed in Traffic control duties during Festivals. It has participated in Fit India Movement and Human chain for Jal Jivan Hariyali too. Social activities like Blood donation, Flood relief activities are performed consistently through the NSS wing of our College.
