

M.A. PHILOSOPHY UNDER CBCS

There has been a constant endeavour to improve the higher education in India by implementing different programmes from time to time. The purpose behind it is to meet the global standard by enhancing the academic standard and quality in higher education including innovation and improvements in curriculum, teaching-learning process, examination and evaluation system, besides governance and other matters.

Keeping in view of the above, the UGC has devised a Uniform Choice Based Credit system in India with flexibility to choose the different courses of choice by the students. The mobility is the biggest asset of this CBCS. The uniform grading system in semesters system of examination by adopting the method of cumulative grade point average (CGPA) based on the performance of students in the examination system, is the central point of CBCS.

VISION

Over the years Philosophy has been central to the growth and development of world as such. Philosophy indeed has been the training ground in an everlasting pursuit of knowledge and excellence through sheer perseverance and an undeterred spirit of enquiry. Further any one's basic disciplinary grounding in Philosophy with its universal occupation with the question that makes humanity truly human has fostered a long and profound engagement with question of ethics & morality. A nuanced and balanced understanding of the intricacies of universe is the subliming and inherent strength of Philosophy which tries to understand the universe in its totality.

'Education is not the learning of facts, but the training of the mind to think'. This insightful quote by Albert Einstein, encapsulates both why it is that we need Philosophy and what exactly should Philosophy aspire to be. The purpose of Philosophy is to transform the spirit and mind of young minds with freedom to explore ideas and ideals so as to make this world a peaceful abode for co-existence.

The M.A. Philosophy syllabus comprises 14 core courses to be taught over 4-semester, one GE, three AECC, one DSC and two ECs in two years. The student will be evaluated through end-semester examination/project evaluation.

The M.A. course shall consist of 21 papers spread over four semester consisting of CORE COURSES (CC), ELECTIVE COURSES (EC), DISCIPLINE SPECIFIC ELECTIVE COURSES (DSE), ABILITY ENHANCING COURSES (AEL) ABILITY ENHANCING COMPULSORY COURSES (AECC). There shall be five courses/papers in first semester, six courses/papers in second semester, six courses/papers in third semester and four courses/papers in fourth semester. Each course carrying 100 marks. The entire curriculum shall be of 2100 marks taken together. However, the CGPA/class shall be awarded on performance of the candidate on 16 papers which include the 14CC papers and two EC papers having an aggregate of 1600 marks.
